

Casa Nova di Imperialismo

The Casanova family were an Italian nobility and today they oversee Switzerland and are also members of Spanish nobility. The name Casa-Nova means "New House" and the family has strong ties with Venice, Spain, and Switzerland. I believe the Casanova family are a lower branch of the more powerful House of Imperiali that ruled and resided in Genova Italy as well as holding titles of Grandees in Spain just as the Casanova family are members of Spanish Nobility today. The Imperiali family held over a dozen princely titles in Italy. Marquis Davide Imperiali ruled Casalnuovo-Manduria in Italy. Manduria was renamed Casalnouvo during Imperiali rule.

Arthur Imperatore Sr. is an Italian-American businessman from New Jersey that lives in the former home of Albert Anastasia an Italian mobster and hitman. Michele Imperiali Simeana was known for being friends with Giacomo Casanova. Guglielmo Imperiali was the Italian Ambassador to Constantinople which was previously called Nova Rome and also a delegate for the Treaty of Versailles located in Geneva, Switzerland. Genova City in Italy and Geneva City in Switzerland both mean "The New City". The Casanova family settled in England as the Cazenove family and established Cazenove investment bank which they sold to JPMorgan for over a billion with Bernard Cazenove as the family's most recent banker. JP Morgan was

knighted under the Savoy's Order of Saint Maurice and Saint Lazarus. Cazenove Capital Management was a multi billion dollar asset management firm bought by Schroders.

The House of Savoy which have strong ties with Genova Italy ruled in Geneva Switzerland beginning with Count Amadeus V of Savoy. The words Nova, Novus, or New have an important meaning and it refers to the New World Order or Novus Ordo Seclorum which is written on the US dollar bill and US Great Seal. Switzerland functions like a Papal State and is a global headquarters of the New World Order which is about global imperialism and this ties back with the Imperiali family name. Countess Federica Imperiali di

Francavilla is a member of this family. The European headquarters for the United Nations, World Health Organization, World Trade Organization, International Labour Organization, International Organization for Migration, the European Organization for Nuclear Research and the Geneva Conventions which determine International Law are all headquartered in Geneva Switzerland. The Imperialis and Casanovas oversee the globalization programs operating from Geneva. The Savoy and Imperialis with Princess Marie Gabrielle of Savoy and Princess Margharita Imperiali di Francavilla are honorary members of the Leaders' Club in Geneva which also has 6 other branches in

Gstaad, Monaco, London, Luxembourg, Paris and Zurich. Princess Margharita Imperiali also went to the University of Geneva. The Leaders Club or Club des Leaders was founded by Jean-Sebastien Robine. Members of the Savoy, Orleans, Bourbon-Parma, and

In recent years Achille Casanova was a journalist and former Vice Chancellor of Switzerland and Corina Casanova was the former Chancellor of Switzerland from 2008 to 2015. Antoine Charles Cazenove was a Swiss Consul to the United States in the 19th century. It was Giacomo Casanova a Venetian who made the name Casanova synonymous with being a womanizer. In the United States Vince Casanova was the President

of the Tribune Media Group. The Fitz-James Stuart family in Spain are intermarried with the Casanova family. Maria del Pilar Paloma de Casanova-Cardenas y Baron is the Duchess of Maqueda in Spain today. Marquis Alvaro Francisco Lopez Becerra de Sole and Casanova is a current top member of the Casanova clan. Vicente Casanova-Marzol was a Spanish Archbishop of Granada until 1930. Rafael Casanova was a Spanish commander and Mayor of Barcelona during the 17th century. Count Andrea Imperiali is the current President of the company Auditel. Raffaele Imperiale is a mobster and member of Camorra and an agent of the House of Imperiali. Camorra are based in Naples and the Imperialis are nobles of Naples. Raffale Imperiale

is a fugitive who has been hiding out in Dubai. The Imperiali family also still exist with Marquis Riccardo Imperiali and Don Rosario Imperiali running GruppImperiali a systems management company. They appear to be the heads of the House of Imperiali today along with Count Andrea Imperiali di Francavilla.
